Epicore 44

Epicore 44 is a monolithic graduated density particleboard core available in 44 mm thick for 30 minute fire integrity applications.

Thickness (mm)	44
Weight (kg/m ²)	27.3
Fire Performance	FD30
Sound Reduction (Rw dB)	Up to 35
Thermal Insulations (W/m ² K)	2.1
Mechanical Performance	Severe Duty
High Pressure Laminate	■
Veneer	■
Paint	■
